Dakota Meyer, it was really cute how you tried to set me up with a rifle that didn't work. Didn't think I'd figure out the primers were dead? Don't worry I still got copies of the two loans you took out on 2-27-2017 under DM Tactical, \$60,000.00 & \$350,000.00. \$60,000 Mayor Holly, \$350,000 Ofc. Lahovski right? I set you up bro, got you to play your hand. Just like I setup Crystal Koshmieder and Dustin Herron, because you see the angles I came in at to Irene's house could only be covered by cameras in their house. By the way, who was the crisis actor who was dumpster diving at Skipper Dipper's? I robbed the place, I never dumpster dived there. I don't make the rules, I'm just here to play the game.

I was not sure this was Shawn because they can use A.I. to mimic people. It was around 1:30-2 AM, I was tired, posted it on the support FB page and waited for the Christys to wake up. They apparently slept a long time. Around 4 AM here I went to sleep which would have been 6 AM there. Upon awaking it is clear they believe this is Shawn.

While I slept there was a response from Dakota Meyer very similar to past comments.
